

About MSBTE

MSBTE Mumbai is an autonomous organization of Government of Maharashtra.

The vision of MSBTE is to ensure that the Diploma level Technical Education constantly matches the latest requirements of Technology and industry and includes the all-round personal development of students including social concerns and to become globally competitive, technology led organization. MSBTE has been organizing state level project competitions for diploma engineering students from 2011.

About Purnamal Lahoti Government Polytechnic, Latur

Purnamal Lahoti Government Polytechnic, Latur (PLGPL), one of the Maharashtra's oldest and most reputed Technical Institute was established in 1956 as a private Technical Institution and later handed over to the Maharashtra Government in 1962. The Institute has a distinguished history in various engineering disciplines, including Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics Engineering, Computer Engineering and Information Technology. With a record of 100% admissions and excellent academic results, PLGPL is committed to nurturing skilled engineers and responsible citizens, contributing to the nation's growth.

Vision

To provide skill based quality technical education for students to become competitive diploma engineers to meet latest technological and industrial needs for socio-economic development of society.

Mission

To create multi-disciplinary Engineers having quality consciousness and knowledge of standard practices. To develop proactive personality to help Industry and society to meet socio-economic challenges. To nurture human values in students.
